

THE RADAR NOW!

'BE' HAPPY

After feeling "creatively stifled" with other jobs, Terry Anne Webre has now done what she's always wanted to do—open up shop. Located at the storefront of Artigiani Galleries, Be-Jewel (2421 S. Shepherd Dr., 713.526.3561) is a curio of finds fresh from her international pavement-pounding. "I pick what I love," says Webre. The store carries clothing, jewelry, accessories and art—and showcases local designers such as Sandra Posada. Monies Jewelry, a line rich with woods, horn and copper—and playful Lucite shapes, pictured—will be featured Dec. 6-8 in a trunk show including limited-edition pieces. —*Alcira Molina-Ali*
